Beneficiary: a natural or legal person designated by the *Policyowner*, in any written notice filed with the *Insurer*, as being entitled to receive benefits under this *Policy*.

Policy: the present contract, the application for this *Policy*, any application for reinstatement and any written request for change to the contract.

Policyowner: the person who owns this *Policy*.

Risk Class: the characteristics of the *Life Insured* that determine the premium rate for a coverage. Risk Classes are based on the *Life Insured's* gender, age, tobacco use and health.

Sickness: a deterioration of health or a disorder of the body confirmed by a *Physician*, that is not caused by an *Injury* and whose first symptoms appear while this *Policy* is in force.

Total Disability (or Totally Disabled): For a *Life Insured* who holds remunerative *Work* at the start of the *Disability*, it is the state of a *Life Insured* who, as a result of an *Accident* or a *Sickness*, is unable, during the *Waiting Period* and for a period of up to twenty-four (24) months immediately following the *Waiting Period*, to perform the main duties of his or her *Work* when the *Disability* begins and who, during that period, does not hold other employment, and is under the continuous and appropriate treatment and *Care of a Physician*.

Thereafter, it is the state of a *Life Insured* who, as a result of an *Accident* or a *Sickness*, is unable to perform any remunerative *Work* that he or she is reasonably qualified to perform based on his or her education, training or experience and who remains under the continuous and appropriate treatment and *Care of a Physician*.

Part C – General Provisions

Contract

This *Policy* is issued by the *Insurer* based on the application for insurance, a copy of which is attached, as well as on any document subsequently submitted to reinstate or change the *Policy*. No representative is authorized to change this *Policy* or to render null any of its provisions.

Any change to the *Policy* or its riders must be signed by an officer of the *Insurer*.

Effective date

This *Policy* takes effect on the date the *Insurer* approves the application, provided the application is approved without change, the first premium has been paid, and no change has occurred in the *Life Insured's* insurability since the application for insurance or reinstatement was signed.

Premiums

The premium of each coverage is indicated in the Schedule of Benefits.

Method of payment

Premium is payable monthly by automatic pre-authorized withdrawals. A premium paid by cheque or pre-authorized withdrawal is only considered paid if the payment is honoured.

A grace period of thirty (30) days is granted for payment of each premium except the first. If the premium remains unpaid after the grace period, this *Policy* lapses and all insurance coverage terminates.

The *Insurer* will deduct outstanding premiums from any amount payable.

Exclusions

No death benefit is payable if the *Life Insured* commits suicide within two (2) years of the effective date of coverage or reinstatement of this *Policy*, whether he or she is sane or insane.

The following exclusions apply to the Waiver of Premium and the Accidental Death & Dismemberment benefits if those coverages are part of this *Policy*.

No Waiver of Premium or Accidental Death & Dismemberment benefits will be payable that result from:

- attempted suicide or intentionally self-inflicted *Injury* or dismemberment, whether the *Life Insured* is sane or insane;
- the *Life Insured's* participation in the commission or attempted commission of an unlawful act or crime, driving a motor vehicle or piloting a boat while under the influence of narcotics or while his or her blood alcohol concentration exceeded the legal limit;
- drug addiction, alcohol abuse or the use of hallucinogens, drugs or narcotics;

- service, whether or not as a combatant, with armed forces engaged in surveillance, training, peacekeeping, insurrection, war (whether or not declared) or any related act, or the *Life Insured's* participation in a popular uprising;
- *Injury* sustained during a flight, except if the *Life Insured* is a passenger on an aircraft operated by a common carrier;
- cosmetic surgery or elective surgery, and any resulting complication;
- experimental treatments and treatments involving the application of new procedures or new treatments that are not yet standard practice.

No Waiver of Premium benefit will be payable for:

- any period during which the *Life Insured* is entitled to paid leave under an agreement between the *Life Insured* and his or her employer;
- pregnancy, childbirth, miscarriage or any resulting condition, except in the case of a pathologic complication;
- any period during which the *Life Insured* is incarcerated in a penitentiary or a government detention facility.

Age

For the purposes of this *Policy*, the *Life Insured's* age is the age attained at his or her nearest birthday when a coverage is issued. If, mistakenly or otherwise, the age used to calculate the premium is incorrect, any amount payable by the *Insurer* will be adjusted to reflect the correct age.

Policy and Coverage termination

Unless stipulated otherwise in a given coverage, this *Policy* and its coverages terminate at the earliest of the following dates:

- the date a written request from the *Policyowner* is received by the *Insurer* stating that he wishes to terminate this *policy* or the date stipulated in that request, if such date is later than the date of receipt by the *Insurer*;
- the date the grace period for premium payment expires;
- the date the *Life Insured* dies.

Incontestability

In the absence of fraud, the *Insurer* cannot cancel or reduce a coverage that has been in force for two (2) years or that was reinstated over two (2) years previous because of misrepresentation or concealment with respect to risk.

Misrepresentation concerning smoking habits

If the premium for this *Policy* is based on statements in the application for insurance or reinstatement to the effect that the *Life Insured* is a *Non-Smoker* and those statements are in fact false, those statements will be considered fraudulent and this *Policy* will be void from the effective date or reinstatement date. Accordingly, any claim paid by the *Insurer* must be reimbursed.

Reinstatement

If this *Policy* terminates because the premium was not paid, it may be reinstated within two (2) years of the date of termination provided the *Policyowner* requests that it be reinstated, establishes the *Life Insured's* insurability to the *Insurer's* satisfaction and pays any outstanding premiums. The periods related to incontestability and suicide apply again as of the date of the last reinstatement.

When the *Policy* is reinstated within ninety (90) days of the date of cancellation, no proof of insurability is required.

Change of beneficiary

Subject to applicable law, the *Policyowner* may at any time designate or change a *Beneficiary* or revoke a *Beneficiary* designation that is not an irrevocable *Beneficiary* designation. For a change of *Beneficiary* to be recognized, the *Insurer* must receive written notice of that change. The *Insurer* bears no responsibility with respect to the validity of a *Beneficiary* designation or any change of *Beneficiary*.

Participation in the distribution of profits

This *Policy* is a non-participating *Policy*, it does not grant any rights to a share of the *Insurer's* profits.

Notice and proof of claim

All claims must be made in writing and submitted to the *Insurer* within thirty (30) days of the date of the *Accident*, *Sickness* or *Disability* giving rise to a claim under this *Policy*.

In the event of the *Life Insured's* death, the *Insurer* may, if permitted under applicable law, require an autopsy and any failure to satisfy that request will give the *Insurer* grounds to refuse payment of the benefit.

The *Life Insured*, the *Policyowner* and the *Beneficiary* are required to cooperate fully with the *Insurer* by providing all the information it may require and by signing any form or other document allowing the *Insurer* to obtain any information it deems relevant.

The *Policyowner* or any person entitled to submit a claim must provide the *Insurer* with all the documents it may require within ninety (90) days of the date of the *Accident*, *Sickness* or *Disability* giving rise to a claim.

In the event of a failure to give notice or provide proof within the stipulated periods, the *Life Insured*, the *Policyowner* or the *Beneficiary*, as applicable, shall not be entitled to receive benefits, with respect to the claim in question, for the period prior to the date on which the *Insurer* actually receives that proof.

The *Insurer* reserves the right to require that the *Life Insured* undergo any examination(s) it consider necessary by a *Physician* of its choice. Refusal to undergo the examination(s) will deprive the person of the right to receive benefits.

The *Policyowner* must notify the *Insurer* of any change of address for the purpose of facilitating correspondence and the transmission of any document.

Payment under the policy

Death benefits will be paid to the *Beneficiary* designated in the application or in any other document subsequently submitted to the *Insurer* by the *Policyowner*.

If the *Policyowner* has not designated a *Beneficiary*, the death benefit will be payable to the *Policyowner* or the *Policyowner's* estate.

Reimbursement

No cheque in reimbursement of premiums will be issued for amounts of less than twenty dollars (\$20).

Legal currency

Any payment under the provisions of this *Policy* will be made in the legal currency of Canada.

Right to cancel

The *Policyowner* may cancel this *Policy* within ten (10) days of the date it was received by the *Policyowner* or within sixty (60) days after the date the *Policy* is issued to the *Policyowner*, whichever is earlier, provided he or she notifies the *Insurer* in writing of such cancellation and returns the *Policy* to the *Insurer* in which case any premium paid for the *Policy* will be refunded.

Cash value

This *Policy* does not have any cash-value.

Compliance with law

Any provision of the *Policy* that, at the effective date, does not comply with legislation of the province or territory in which the *Policy* was issued is amended so as to meet the minimum requirements of such legislation.

General provisions

The exclusions, limitations and General Provisions apply to the *Policy* as well as to all coverages when they are relevant.

Some coverages contain exclusions and limitations specific to those coverages. These exclusions and limitations apply in addition to the exclusions and limitations of the General Provisions.
